 This box should measure 1"x1"

Piecing & Cutting Directions

1. Trim the triangle paper on the outside solid line.
2. Layer trimmed paper on top of 2 rectangles – 1 light & 1 dark layered right sides together.
3. Stitch on the dotted line with a slightly smaller than regular machine stitch.
4. Cutting on the solid lines, cut the squares, then cut the square to make triangles.
5. Carefully tear away paper.
6. Press the seams to the dark side. Each half triangle square will measure 1 3/4" x 1 3/4" unfinished.
