For more information, search for North Country Patchwork Quilt in the search box of OPQuilt.com.
Reminder: this is a pick-it-up, put-it-down, multi-month project. General block dimension: 3"

If you are making the full quilt of 624 blocks, print this page about a billion times. Just kidding. Print it 156 times. Or use some of the tips on the blog to cut down the cutting out of EPP papers.
